HOW YOUR GENERIC DUST COVER & BOX SCENT STICKERS WORK TOGETHER

100% Universal Packaging + 2 Simple Scent Stickers Applied In Person

Your Jar Crest, Dust Cover, Lid, Atelier Card & Box Are All 100% Generic — You Only Stick 2 Small Scent Labels On When Packing!

1. Inside Jar: 100% Generic Dust Cover

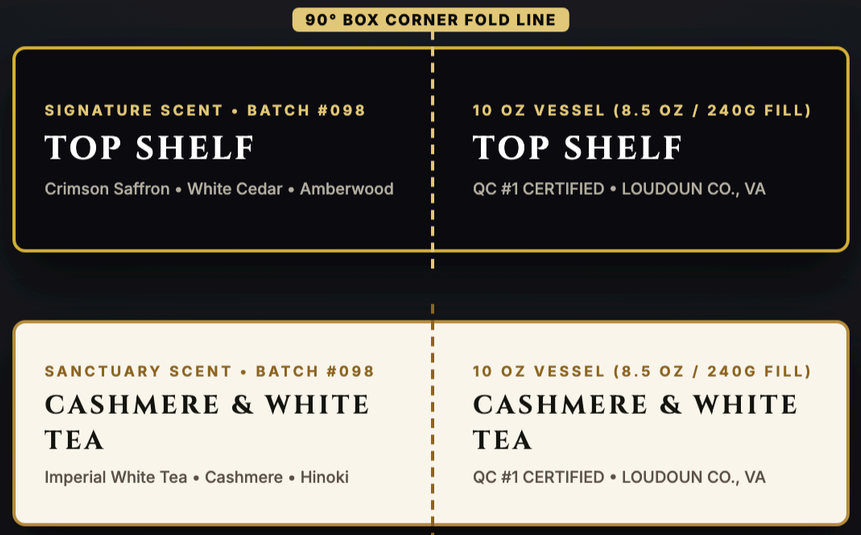

Universal 2.875" Wax Dust Cover

100% Generic Across All 10 Scents!
Zero scent name printed on the dust cover — so you order **1 single bulk pack** (Norman's Printery or Alibaba) and drop it into every candle you pour.

2. The Separate Box Sticker (3.5" × 0.85")

L-Wrap Corner Scent Sticker (Flat View)

Yes — This Is a Separate Rectangle Sticker You Apply In Person!
Printed on **3.5" × 0.85"** Matte Black / Cream rectangle labels (OnlineLabels OL712 or sheet labels). Half sticks to the **Front** of the box, and the other half wraps 90° around the **Right Side**.

3. Applied to Your Generic Collector Box

3-Second Corner Wrap Application

Zero Pre-Printed Scent Boxes Needed!
Every Men's Box is identical and every Women's Box is identical. When you box a candle, you just wrap the matching **L-Wrap Scent Band** around the bottom-right corner.
